

Join the Deaf Directions Roundtable

Do you want to help shape the future of services to the South Australian Deaf community?

Deaf Can:Do, The Royal South Australian Deaf Society (DCD) delivers services and support to Deaf and Hard of Hearing South Australians. DCD is establishing the Deaf Directions Roundtable, or DDR, to help plan the future of Deaf services in a way that best benefits the long term future of the SA Deaf community.

The purpose of the DDR is to provide a platform for:

- More transparent and positive communication, and information sharing between DCD and the SA Deaf community
- Greater cooperation between DCD and the SA Deaf community in promoting and supporting individual and joint initiatives aimed at improving services, support and outcomes for Deaf and Hard of Hearing people of all ages.

All positions on the DDR are voluntary, and DCD will provide training and support.

If you are someone in the SA Deaf community who is happy to talk to others about what their needs and opinions are, or if you know someone you think would be a great representative - please nominate today!

We are excited to be working on this initiative to create a bright future for all Deaf and Hard of Hearing South Australians!

NOMINATIONS CLOSE MONDAY 28 AUGUST 2017
