

Voices Off Day

Help support Deaf awareness and celebrate National Week of Deaf People by **'switching off'** your voices on Friday 27 October!

How can we help?

There is only one rule with a Voice Off Day, no talking using your voice!

Make it a classroom or entire school activity and **'switch off'** your voices to discover other ways to communicate!

Use your creativity - learn to sign the entire alphabet - one lucky school will **WIN** a Voices Off Day Prize Pack!

Sign us up!

To participate in Voices Off Day, simply register your school online via our website deafcando.com.au to receive **FREE** Auslan learning resources and lesson plans and tips on how you can 'switch off' and support the South Australian Deaf Community!

National Week of Deaf People

Come and celebrate the community, language, culture and history of South Australia's Deaf community with us in 2017!
